# WORLD HEALTH FORUM

Volume 19, 1998

World Health Organization, Geneva

# *Subject Index*

(The subjects of WHO activities and recommendations, which appeared in the WHO Notes & News section of World Health Forum, are indexed separately, on p. 4)

**adolescents**, breast self-examination, India, 388
talks on AIDS, France, 294
**Africa,** injury control, 39
**agriculture**, relation to disease, 274
**AIDS prevention**, adolescents, France, 294
**Alma-Ata and after**, 79
*see also* health for all
**ambulance services**, South Africa, 315
**art therapy,** the rights of the patient, 97
**Australia**, public health partnerships, 246

**baby-friendly hospital**, India, 433
**Bangladesh**, disabled children, 47
maternal and child health, 436
**blackfly control**, West Africa, 281
**blindness prevention**, WHO's mission for vision, 53
**Brazil,** treatment of trichomoniasis, 312
**breastfeeding,** India, 433
**breast self-examination**, India, 388

**Cambodia,** maternal and child health, 439
**Canada**, prelude to health for all, 235
**care for the dying,** 324
**care maps**, *see* health care
**chemical safety**, 261
**child health,** assessment, 47
immunization, 162
management, 174
mental health, 268
vaccination, 162, 174
**cholera**, deaths, Ghana, 158
Nigeria, 420
**community participation**, provider collaboration, Pakistan, 72
Turkey, 88
**community service centres,** Canada, 344, 353

**disabled children,** rehabilitation, Bangladesh, 47
**disability and rehabilitation**, cultural differences, 42
**district hospitals,** Turkey, 157

**environmental health**, hazardous exports, 412
*see also* chemical safety
**epidemiology**, research strategy, 3
**ethics,** health care, 298
**Ethiopia**, tropical diseases, 274
**family planning,** male involvement, Turkey, 76
partnership services, Pakistan, 300
**Farid, Mohyeddin A**, interview, malaria eradication campaign, 417
**food safety**, international trade, 407
**France,** AIDS prevention, adolescents, 294

**Ghana**, cholera deaths, 158
**globalization,** world trade and health, 397
**Goodman, Howard C**, obituary, 378

**hammocks**, in hospitals, Mexico, 431
**hazardous exports**, environmental health, 412
**health aid**, round table process, 286
**health and safety guides,** *see* environmental health, 261
**health and welfare policy**, Quebec, 239
**health care**, critical care pathways, Malawi, 201
developing countries, 311
high-tech medical services, India, 196
women refugees, 320
**health care interventions**, use of evidence, 311
**health centres**, Round Table, 341
**health for all**, Alm-Ata Conference, 79
ethics, 298
**health planning**, information and research, Singapore, 12
past, present and future, 382
Singapore, 12
**health policy research**, use and validation of indicators, 6

**health promotion,** breast self-examination, 388
health aid, 286
health for all, 235
health research, 369
health services, India, 160
in the workplace, 390
poverty and ill-health, 183
**health research**, 369
**health sector reform**, structural adjustments, South-East Asia, 160
Colombia, 346
**health system management**, information needs and indicators, 308
**hospitals**, district hospitals, Turkey, 157
primary health care, Nigeria, 299
**human organs**
*see* organ transplantation

**immunization**, protecting the world's children, 162
Nigeria, 362
Pakistan, 188

**India**, baby-friendly hospital, 433
breast self-examination, 388
high-tech medical services, 196
promotion of breast-feeding, 434
tobacco, 301
**indicators**, collection of data, 307
health policy research, 6
health status, 15
**information and research,** health management, Singapore, 12
**information technology**, knowledge-based indicators, 15
**injury control**, Africa, 39
**injury prevention research**, Malaysia, 159
**integrated care plans**, *see* critical care pathways
**intensified cooperation**, countries and peoples in greatest need, 182
**international trade**, food safety, 407
*see also* globalization
**Interview**, malaria eradication campaign, 417

**laboratory technology**, development of services, 68

**malaria,** eradication campaign, 417
**Malawi**, critical care pathways, 201
**Malaysia**, injury prevention research, 159
maternal and child health, 365
safe motherhood, 133
**maternal mortality**, Sierra Leone, 136
*see also* safe motherhood
**maternal and child health,** Bangladesh, Cambodia, Vietnam, 436
Malaysia, 365
**mental health care**, children, 268
*see also* art therapy
**Mexico,** hammocks in rural hospitals, 431
**midwifery**, memories of a WHO expert, 91

**Nicaragua,** treatment of trichomoniasis, 312
**Nigeria**, immunization coverage, 362

**occupational health,** 60, 390
**onchocerciasis control**, Uganda, 192
West Africa, 281
*see also* blindness prevention
**organ transplantation**, culture and psychology, in developing countries, 120

**Pakistan**, community participation, 72
family planning services, 300
poliomyelitis immunization, 188
**palliative care**, *see* terminal illness
**poliomyelitis**, immunization programme, Pakistan, 188
**poverty and ill-health,** *see* intensified cooperation
**primary health care**, Alma-Ata and after, 79
Sierra Leone, 136
hospitals, Nigeria, 299
*see also* health centres
**public health**, partnerships, Australia, 246
trade agreements, 399
**Quebec**, health and welfare policy, 239

**refugees**, women, Switzerland, 320
**research and training**, tropical diseases, 377
**Round Table:** Health centres — the future of health depends on them, 341

**safe motherhood**, low-risk birth centres, Malaysia, 133
Sierra Leone, 136
*see also* maternal mortality
**screening,** 90
**Sierra Leone,** safe motherhood, 136
**Singapore,** health planning, information and research, 12
**smallpox eradication**, 113
**social and mental health**, 430
**South Africa**, ambulance services, 315
**South-East Asia**, health sector reform, 160

**Switzerland,** women refugees, 320
**terminal illness**, care for the dying, 324
dying with dignity, 429
**tobacco**, ban on smoking, India, 301
**trachoma**, *see* blindness prevention
**tropical diseases**, research and training, 377
*see* agriculture
**Turkey**, community participation, 88
district hospitals, 157
family planning, 72

**Uganda**, onchocerciasis control, 192

**vaccination**, 160
**Vietnam,** maternal and child health, 437

**West Africa**, blackfly control, 281
**workplace health promotion**, *see* occupational health
**women refugees,** 320
**world trade and health**, 397
